Sat	25th	Nov	<b>EGPA FROST FAIR 10-00 till 12.00 noon</b>

## Christmas is on the Way!

The EGPA Frost Fair is a very popular event at school. There will be something for everyone including Christmas Carols with the Elm Green School Choir. We hope that you will all be able to support the event and look forward to seeing you all there.

## Maldon Choral Society

Once again the Elm Green Choir has been invited to perform on Saturday December 16th at 7.30pm in All Saints Church, The High Street, Maldon. Join them for an evening of Carols and refreshments. Tickets priced at £7 for adults, (children are free) will be available on the door or from The Tourist Information Centre, Wenlock Way, Maldon CM9 5AD or tel: 01621 856503.

## KG Nativity

We now have a second performance to parents and family members on Weds 6th December (also on Tues 5th). Both performances will start at 2.00pm and we expect that children will leave with parents etc by 3.00pm. We hope that you will also be able to stay and enjoy tea, coffee and mince pies afterwards!

Autumn Term Issue 4

## Barnardo's Boxes

Thank you to the many people who have sent in their Barnardo's Cottage Boxes but there are still quite a few to come in. Please send them into school for emptying and counting. Many may still contain old £1 coins. Thank you!

## Polite Reminder

Please remember that we have many children with severe nut/other allergies in school. Please avoid putting nuts in your child's snack and remind them not to share snacks! Thank you!

## Chess Club

We are very fortunate to have Richard Pert (English Champion/International Master) coaching our children. There are still a few places on Weds evenings 3.30-5.00pm at just £8 per session. Contact the school office for details.

No parking at General's Arms Pub,  
park at Sports Field car park only please.

## Physics Fest—A Family Fun Day 1—4.00pm on Sunday December 3rd at Great Baddow High School

The Institute of Physics is once again hosting a family fun event as above. Many interactive and educational activities including a planetarium and a levitating super conducting 'train' for children of all ages will be there. Some talks aimed at adults and older students on 'The Art of Science' and 'The Physics of Superheroes' will also take place. The event is completely free and open to the public. Tickets for children who have expressed an interest will be sent home in school bags. Contact the school office if you do not have a family ticket but would like to have one or download one via [dhall@kegs.org.uk](mailto:dhall@kegs.org.uk) (who can also give more details) or [www.essexphysicsfest.org](http://www.essexphysicsfest.org).

### Congratulations

Dylan in 5P, pictured left, did really well in the recent Chelmsford Festival of Music and Drama. He gained First Place with honours in the Verse Speaking for 10 years and under, First Place with distinction in the Prose Reading for ages 9 and 10 and Second Place with honours for Solo Verse or Prose Grade 1. As you can see he came away with an amazing array of trophies and medals. Congratulations and well done Dylan!

### Related Congratulations to Harry

Harry in Y6, pictured below) recently took part in three zone squad selection events for the Eastern Region sailing his Optimist. Following his performance he has been selected to join the RYA UK Zone Squad—East Optimist. An excellent achievement. Well done Harry!
