Spring Term Issue 4

Welcome Back

We hope that everyone enjoyed the half term break and feels refreshed and ready for another busy half term at school. Shortly before the half term holiday the Kindergarten children enjoyed their Cinderella Ball. They all looked amazing in their beautiful costumes and danced superbly throughout the event!

A POLITE REMINDER

Morning Drop-off & Afternoon Pick-up

Unfortunately, before half term, we received a number of complaints regarding parking in the Sportsfield car park. .

This is, therefore, a polite reminder asking all parents to show consideration to other users of the car park. If you are dropping children off on morning lines please leave promptly in order to release parking spots for other parents. Similarly, parents collecting children from First Line at the end of the school day need to leave promptly to release parking spots for Second Line parents.

Parents have also complained that some drivers do not follow the parking rules in the car park blocking both the entry and exit points causing a potentially dangerous back up of traffic on the Ridge.

We rely on parents following our parking guidelines for this tried and tested system to work ...**please help this to work for everyone!**
