5M's Assembly

The children in 5M entertained parents, children and staff in last week's assembly about a famous historical event! With great humour and much facial hair, they related the story of 'The Gunpowder Plot'... a tale of treachery and treason when Guido Fawkes and several fellow conspirators plotted to blow up the Houses of Parliament in 1605.

We welcomed parents into a class assembly for the first time since October 2021 and it was great to see them enjoying the event. Thank you to Mr McMahon who not only inspired the children in his history lessons, but also wrote the play script!

Induction Day Reminder– Tuesday 5th July

This is the day when we welcome our new students and their parents into school for the morning. Existing students also have the opportunity to meet and spend time with their new teacher for the next academic year during that morning.

After a whole school barbeque, Y6 will organise a number of fun activities and games in the afternoon. This is their last charity fund-raising event of the year. All proceeds will be shared and donated to RNLI Lifeboats, Diabetes UK and Spirit of the Dog Rescue. Children may bring some coins (£5 maximum please) in a named purse to spend at this event.

5W Class Assembly—Postponed—Reminder

Please remember that this has now been postponed to **Thursday 7th July** and parents are warmly invited to attend.

THANK YOU from UK—AID

We recently received a letter of thanks from the charity that collected your generous donations of items (that filled the Pavilion) as well as your financial help for Ukrainian refugees who had to leave their homes so suddenly earlier this year. They confirmed that this was all safely delivered and distributed in Moldova. The charity has also offered to come into an assembly at school next term to show how the items and monies were used. Thank you everyone!

Barnardo's Boxes

Please return these to the school office so the contents can be emptied and counted in readiness for a visit from a Barnardo's representative to an assembly next term. The return of boxes is especially important for anyone in Y6!

LAMDA Taster Sessions

These taster sessions proved to be very popular and enjoyable. We are still trying to organise some mutually convenient days and times for weekly after school sessions next term and will advise everyone as soon as we have details! Thank you for your continuing patience with this.

Message from the School Office

Please remember to include your child's full name and class when sending emails regarding arrangements for them. This is especially helpful at the end of the day when line arrangements are changed at short notice and, whenever possible, let the office know before 2.45pm when up-dated line registers are sent out to the class-teachers.

Sports Results—Congratulations Y3/4 Winners at the Tri-athletics match

We are very proud of our Y3 and Y4 athletes who enjoyed a resounding success when they competed against New Hall and St Cedds on May 26th. They gained 1st place with a score of 138 which was significantly ahead of the others!

Chelmsford and District Sports 20th and 27th June

Good luck to our athletes who will be competing in the track events on Monday 27th June. Our Y5 & Y6 athletes gained some important points last week in the field events that will be carried forward to this event. Well done!
